GENERAL INFORMATION

LOCATION—The sale will be held at the North Iowa Fairgrounds, Mason City, Iowa, on Thursday, May 25, 1950 starting at 1:00 p. m. The Fairgrounds is located at the Junction of U. S. Highways 65 and 18, and is served by main lines of the Rock Island and Milwaukee railroads running into Mason City.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, officers and directors of Iowa State Shorthorn Association nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

MAIL BIDS—Mail or wire bids may be sent to: Clinton K. Tomson, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Mervin F. Aegerter, Seward, Neb., Clem Larson, Callender, Ia., Thos. D. Sherlock, Wallaces Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa. Late bids to the above may be addressed in care of Hotel Hanford, Mason City, Iowa, on sale day.

ANNOUNCEMENT

It has been the desire of Shorthorn Breeders in North Central Iowa to have an established annual sale at Mason City. Therefore, due to the efforts of a volunteer Sale Committee this sale was organized and enough good cattle obtained to make a sale to which they most cordially invite everyone interested in Shorthorns and better beef cattle.

The numbers in this sale are not large but the quality and pedigrees of the offerings need no apologies.

The names of the consignors are well known and you will find in going over the pedigrees in this catalog that the cattle are backed by ancestors of outstanding production and show yard records.

The group of bulls in this sale contain some very definite herd bull prospects. They are a thrifty, well developed lot and if you will note their ages you will find they are ready for immediate heavy service.

We particularly feel that this selection of bulls would have a tremendous improving effect if given the opportunity to go out into some of the better grade herds and produce top feeder cattle.

The females offer an opportunity for most anyone to obtain a few more females for seed stock in this period when the agricultural trend is toward more grass and beef cattle instead of large grain acreages.

May we see you at Mason City on Thursday, May 25, 1950, and tell your friends and neighbors of this event.

HILLBROOK NUGGET 6th—is now offered for sale as we are keeping all of his heifers. He is a valuable sire and a sure breeder. His calves can be seen at the farm. He is short legged, deep, thick and level in his lines. He is smooth and thickly covered with a world of natural fleshing. He has a grand head. In brief, here is an opportunity to own a real herd sire.
